

Network Facilitators Retreat

The NFR takes place two times a year at different retreat centers across the country. Together with ISP staff and team members from across the network, participants will take a deep dive into the ISP overnight retreat. In the spirit of accompaniment and teamwork, we invite an alumni team member and another volunteer to attend the NFR together. There is no cost to attend the NFR and transportation (often flying) and logistics are managed by ISP.

Why Attend the NFR?

Enjoy time for
personal growth &
spiritual connection

Learn best practices
for facilitating retreats
and reflections

Meet ISP alumni and
facilitators from across
the network

Deepen your
understanding of ISP
Mission & Ministry

Ambassadors of Hope

Ambassadors of Hope, an 18-month leadership program for pairs of alumni and team members from across the network, is designed to deepen the spirituality and strengthen the recovery of all participants. AOH encourages the growth as ISP leaders on the local and Network level through:

- **Network Formation:** attend four retreat workshops over the course of the program.
- **Local Formation:** engage in monthly spiritual formation with companion and ISP staff.
- **Leaders Reflecting with Leaders:** gather with the entire Ambassador cohort for formation and prayer.
- **Network Service and Leadership:** help facilitate or present at a range of ISP Network programs and events.
- **Local Service and Leadership:** share gifts and talents with local teams and community.
